1. In October of 1954 the Inspector General, after surveying the Office of the Comptroller, recommended the appointment of a Joint Committee by the Deputy Director (Plans) and Deputy Director (Support) to study the problems of projects given blanket waivers and to make appropriate recommendations to me. A copy of the report of that Committee is attached.

2. In the future if a project is submitted with a request for a blanket waiver, I will not consider it unless it contains one of the following:

a. Concurrence of the Deputy Director (Support) together with a statement of the controls and support which he believes the elements under his jurisdiction should provide.

b. A statement by the Deputy Director (Plans) that the project has not been submitted to the Deputy Director (Support) and the reasons therefor.

3. In any case in which a blanket waiver is granted, it should be considered as subject to the following conditions unless specifically excepted therefrom:

a. The Deputy Director (Plans), or any designee of his made responsible for funds under a project with a blanket waiver, shall maintain, within the limits of operational security, records sufficient to permit an audit of accounts should such an audit at any future time be required; and

b. Any qualifications submitted by the Deputy Director (Support), and approved by me, shall be complied with.
